

City of Carlyle
Demolition Assistance Application

Applicant: _____

Phone Number: _____

Applicant Address: _____

Building Owner: _____

Phone Number: _____

Building Owner Address: _____

Address of Building to be Demolished: _____

Section 1. Please provide a description of the demolition project that is sufficient to obtain an accurate and complete bid for demolition services. Please provide the following information:

1. A description of the building(s) for which demolition assistance is being requested, including location and scope of the demolition services requested:

2. A description of the building's construction materials:

3. Please describe the contents, if any, of the building to be demolished that would be removed with the demolition:

4. Will backfill need to be installed after demolition? If so, please describe:

5. Demolition assistance may be approved for buildings that are deemed to be dangerous, unsafe, and/or unsightly. Please explain why your building qualifies:

Section 2. Please complete this section of the application if you plan to undertake demolition services on your own. Under such circumstances, applicants may receive assistance for up to 50% of out-of-pocket expenses arising out of the demolition.

1. Using the space provided, or another sheet of paper, please describe the out-of-pocket expenses that you will incur arising out of the building you plan to demolish. Please provide at least two quotes for each out-of-pocket expense.

Section 3. By signing and submitting this application for demolition assistance, the applicant/building owner acknowledges, understands, and agrees to the following:

1. Photographs of the building(s) to be demolished are attached to this application. Initial: _____
2. Application for demolition permit is attached. Initial: _____
3. All utilities have been disconnected from the building to be demolished (electric, water, sewer, gas, etc.) Initial: _____
4. The oversight and supervision of the demolition project is the responsibility of the applicant/building owner, and is not in any way a responsibility of the City. Initial: _____
5. The City of Carlyle shall bear no responsibility whatsoever for demolition services that are found to be incomplete, negligent, accidental, illegal, incorrect, or in any way unsatisfactory to the applicant/owner, including any costs arising out of, or the resolution of, such services. Initial: _____
6. The City of Carlyle shall bear no responsibility whatsoever for cost overruns of any kind arising out of the demolition project. Initial: _____
7. Demolition services completed prior to approval of this application shall be ineligible for assistance. Approval of demolition assistance is contingent upon determination of qualification of building in question and is subject to availability of funds for the program. Initial: _____
8. If a contractor will complete the proposed demolition, please indicated by initialing here that he or she is given permission to enter your property for purpose of preparing a bid for demolition. Initial: _____

9. Receipt of demolition assistance is contingent upon awarding the demolition project to the lowest qualified bidder for said project.
