Dedicated to the betterment of the Kaskaskia River Watershed
from the Headwaters at Champaign to the Confluence at the Mississippi River

January 20, 2018

Dear Kaskaskia River Watershed Stakeholder:

The Kaskaskia Watershed Association's 18th Annual Summit will be held on **March 5, 2018**, (9:00 am - 2:00 pm) at the Mariner's Village Resort Conference Center in Carlyle, IL. The theme for this year's Summit is **"Partnering to Make Choices to Better the Kaskaskia Watershed"**.

Over the past 18 years the Summit has brought together a diverse group of speakers that have helped with the understanding of our resources and how we plan to use them in the future. This year is special since we will make many choices on the local, state and federal level. We will feature speakers that will help us to be better informed on the issues and on the unfulfilled needs of the Kaskaskia Watershed. As usual we have invited the elected officials in the Watershed or their representatives will be available for comments and to converse with you on issues that are near and dear to your concerns.

Please join us and register for the Summit, **RSVP by March 1st, 2018**, to HeartLands Conservancy, 406 E Main, Mascoutah, IL 62258, or calling 618-566-4451 ext 12 or by e-mail. Credit cards can be used for advance registration to trisha.roberson@heartlandsconservancy.org. There is a \$15.00 registration fee to cover the cost of the meal and refreshments. More info can be found on the website at www.heartlandsconservancy.org.
