*Instructors must be contacted directly. Each instructor is responsible for their own scheduling. Instructors will do their best to accommodate varying ages/times, however, they are not obligated to take any lessons. Lessons can be refused for any reason. If you are unable to reach an agreement on individual lessons with your preferred instructor, please reach out to a different instructor.

**The full cost of the lessons is due before the first lesson begins. If any lessons are postponed due to inclement weather or a scheduling conflict, instructors will work directly with you to find an alternative date(s), preferably within two weeks of the original lesson time. Lessons will not be refunded after the first lesson has been completed.
