Location of the Light(s)

Please make a simple sketch of your property in the box below and use an X to indicate where you would like the light(s) located. The Electric Department will confirm the location with you before installation.

City of Carlyle Dusk to Dawn Lighting Agreement

Service Address for Dusk to Dawn Lighting: _____

A charge of \$_____ will be applied to each monthly utility bill for a minimum of a two-year period. Such charge will be in accordance with section 11-2-3 of the City Code and will be subject to change with revision to the rates adopted by the City. If the customer discontinues the service within this period, the charges for the remainder of the contract period shall become due and payable. The Electric Department will be responsible for making the installation, furnishing the electricity for the operation of the lamp and provide all necessary maintenance, including the replacement of lamps, but excluding malicious damage.

The customer shall notify the City of any interruption to the service of the Dusk to Dawn light(s). The Electric Department will restore service only during regularly scheduled working hours and shall in any event be under no obligation to do so until seventy-two hours from the time of the notification. In the event the Electric Department is unable to make repairs, not caused by the customer, within this period, the Electric Department's only responsibility will be to abate the charges on a pro-rated basis for each day after such seventy-two hours period in which service is not available. The customer shall remove any obstruction to the installation of the City-owned facilities. Trimming of trees to improve the distribution of light shall be the customer's responsibility. The customer shall provide any permits or easements required for the installation and maintenance of the lamp and permit access to the City-owned facilities by the Electric Department's vehicles and personnel.
