Dear Comptroller:

As the attorney for the City of Carlyle, Illinois, I have reviewed all information provided to me by the City Administrator and staff for the period of May 1, 2016 through April 30, 2017 [FY 2017]. In my opinion, I find that the City of Carlyle has conformed to all applicable requirements of the Illinois Tax Increment Redevelopment Allocation Act set forth thereunder, to the best of my knowledge and belief.

This opinion relates only to the time period set forth and is based upon information available to me.

Very truly yours,

Joseph B. Heiligenstein

JBH/lkh

Statement setting forth all activities undertaken in furtherance of the objectives of the redevelopment plan, including any project implemented in the preceding fiscal year and a description of the activities under taken (65 ILCS 5/11-74.4-5 (d) (7) (A and B) and 5/11-74.6-22 (d) (7) (A and B)

The City continued to review alternative redevelopment plans and adjacent public streets and infrastructure projects. The City has also entered into a new redevelopment agreement for a residential subdivision development and continued to market additional redevelopment opportunities to the private side.

Independent Auditors' Report

August 19, 2016

Honorable Mayor and Members of the Board of Aldermen
City of Carlyle, Illinois
Carlyle, Illinois 62231

Report on Financial Statements

We have audited the accompanying financial statements of the Illinois Tax Increment Financing District of the City of Carlyle, Illinois as of and for the year ended April 30, 2016, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Basis for Adverse Opinion

As discussed in Note #1, the financial statements present only the Illinois Tax Increment Financing District. Accounting principles generally accepted in the United States of America require that City of Carlyle, Illinois' financial statements present the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Carlyle, Illinois.

Honorable Mayor and Members of the Board of Aldermen

August 19, 2016

Adverse Opinion

In our opinion, because of the significance of the matter discussed in the “Basis for Adverse Opinion” paragraph, the financial statements referred to above do not present fairly the financial position of City of Carlyle, Illinois as of April 30, 2016, or the changes in the financial position or cash flows thereof for the year then ended.

Unmodified Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Illinois Tax Increment Financing District of the City of Carlyle, Illinois, as of April 30, 2016, and the changes in financial position and cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Respectfully submitted,

Glass and Shuffett, Ltd.

City of Carlyle
Illinois Tax Increment Financing District
NOTES TO FINANCIAL STATEMENTS
April 30, 2016

NOTE 1--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Information

In accordance with the Illinois Tax Increment Allocation Redevelopment Act of the State of Illinois, the City created three tax increment financing (TIF) districts. TIF-1 and 2 were created in 1998. TIF-3 was created in 2006.

TIF-1 encompasses property within the City that is north of the intersection of “New” U.S. 50 and 12th Street and that is zoned commercial or industrial. TIF-2 encompasses commercial and industrial property that is south of this same intersection. Typically, the commercial and industrial property within TIF-2 is located on or near 12th or Franklin Streets. TIF-1 and TIF-2 abut each other near the intersection of “New” U.S. 50 and 12th Street. TIF-3 encompasses property that was annexed by the City in September of 2005 that is commonly referred to as Carlyle’s “West End.” TIF-3 and TIF-2 abut each other along the west property line of Fortis Plastics.

TIF increments are used to incentivize commercial and industrial development in TIF-1 and TIF-2. TIF-3 was created specifically to assist in the development of a residential subdivision at Carlyle’s West End known as Old State Commons. The increment in TIF-1 is used to either reimburse expenses incurred by commercial and industrial developments that are defined as eligible for reimbursements under State law or finance eligible activities undertaken by the City. TIF-2 makes a similar use of the tax increment generated here, but the tax increment that is not pledged pursuant to a redevelopment agreement with a private developer is returned to the taxing districts with taxable property within TIF-2.

TIF-3 is different, as it relates to TIF-1 and TIF-2. TIF-3 is the City’s only TIF district that will assist a residential subdivision (Old State Commons). As provided by State law, the City will share a portion of the increment generated by Old State Commons with the Carlyle Unit School District. Additionally, for a senior residential development known as the “Pointe,” the City will redirect 20% of the increment generated by this project to the School District.

These financial statements reflect only the activity of the City of Carlyle, Illinois, Illinois Tax Increment Financing District funds. The financial statements for the City of Carlyle, Illinois as of April 30, 2016, are separately reported and are not presented herein.

The financial statements for the Illinois Tax Increment Financing District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to government units.

Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government’s accounting policies are described below.

Basis of Presentation - Fund Accounting

The City accounts for the activity of the Illinois Tax Increment Financing District in its Capital Project Fund, since capital projects funds (by definition) are used to account for financial resources to be used for the acquisition or construction of major capital facilities.

Basis of Accounting

The City maintains its records on the basis of cash receipts and disbursements. For financial statement presentation purposes, the accounts of the City have been adjusted to reflect assets and liabilities of the capital projects funds on the modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recorded when received in cash unless susceptible to accrual, i.e., measurable and available. Available means collectible soon enough to be used to pay liabilities of the current period. Taxes, liquor licenses, grants, traffic fines, and investment income are susceptible to accrual under the modified accrual basis of accounting. Expenditures are recorded when the liability is incurred.

Transfers

Transfers of resources from a fund receiving revenue to the fund through which the resources are to be expended are recorded as operating transfers and are reported as other financing sources (uses) in the capital project funds.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

Budget and Appropriation

The budget and appropriation ordinance for the Illinois Tax Increment Financing District funds is prepared on the cash basis of accounting which is the same basis used to maintain the records. The budget and appropriation ordinance was passed on June 22, 2015 and was not amended. Total fund expenditures may not legally exceed the appropriated expenditures. The budget and appropriation ordinance lapses at the end of each fiscal year.

NOTE 2--EXCESS EXPENDITURES OVER APPROPRIATIONS

There were no expenditures in excess of the appropriation.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE

August 19, 2016

Honorable Mayor and Members of
the Board of Aldermen
City of Carlyle
Carlyle, Illinois 62231

We have audited the financial statements of the City of Carlyle Illinois, Illinois Tax Increment Financing District as of and for the year ended April 30, 2016, and have issued our report thereon dated, August 19, 2016. We conducted our audit in accordance with auditing standards generally accepted in the United States of America.

As part of obtaining reasonable assurance about whether the financial statements for the City of Carlyle, Illinois, Illinois Tax Increment Financing District are free of material misstatement, we performed tests of its compliance with certain provisions of subsection (q) of Section 11-74, 4-3 of the Illinois Compiled Statutes (65 ILCS 5) pertaining to the Tax Increment Act, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported.

This report is intended for the information and use of the Board of Aldermen, management, federal and state awarding agencies, and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Respectfully submitted,

Glass and Shuffett, Ltd.

Centralia, Illinois
